ISO OUTREACH 3

We're Late, We're Late, We're Late..... For a very important date...

BUT FOR GOOD REASON

And that reason is so that as much of the '99 Convention activities and actions can be in this issue. It was delayed on purpose so you could be as up to date as possible on your Fellowship happenings.

This issue contains actions by the Delegates, the ISO Board and the Literature Committee. Minutes have been excerpted so as to avoid the formalities of process and discussion except where pertinent to those actions.

These actions are important to our members and others who are future members of the Fellowship. We encourage your becoming familiar with these aspects of 12 Step Service by others since you, too, may well aspire to International office. And you may be inspired to attend next year's convention in Tucson, Arizona as well.

Notice the Special Article on Pg 7 Yes, it speaks about FUNDS. Perhaps even *YOUR* funds. Since it is *YOUR* funds that keep SAA viable. What is now opening up for we as members of SAA, is the opportunity, not only to make tax-exempt contributions to ISO for our annual fund needs and daily outreach, The ISO Board has expanded our ability to make additional Capital Gifts by increasing the annual amount allowed an individual contributor.

AND IN ADDITION, CREATED A NEW

ENDOWMENT FUND

This fund will be permanent and earnings will be used only for OUTREACH.

You can leave a living legacy to the Fellowship that brought you a new life in sexual sobriety.
